

Byrdine F. Lewis School of Nursing

## **Perinatal Women's Health Program in Nursing**

The Perinatal Women's Health CNS/NP option focuses in the preparation of clinical experts with advanced competencies and emphasizes excellence in practice, critical thinking, inquiry, leadership, self-awareness and empowerment. The curriculum consists of a minimum of 48 semester hours of study. Full-time and part-time study may be selected. Each student's program of study will be planned at the time of admission. Students will be advised of any curricular changes at that time.

Graduates of the Perinatal Women's Health CNS/NP option are employed in a variety of clinical and ambulatory settings are eligible for certification by the National Certification Corporation (NCC).
